The Plan was
confirmed on May 16, 2001

THIS CASE IS: PAID IN FULL AND ELIGIBLE FOR ORDER DISCHARGING DEBTOR

The records of the Trustee reflect that the debtor has completed all payments under the plan. Therefore, your Trustee makes his interim report, preliminary to the Final Account of the administration of the estate with the Court and the United States Trustee, for the purpose of asking the Court to grant the debtor a discharge of all debts provided for by the plan or disallowed under the § 502, except for any debt not subject to discharge pursuant to the provision of § 1328.

Your Trustee will make his Final Account once he has verified that all trust checks have cleared his depository bank and, if not, will stop payment of checks remaining unpaid ninety (90) days after distribution, file a list of all such items with the Court and turnover all unclaimed funds to the clerk in order to fully conclude administration of debtor's estate.

WHEREFORE, your Trustee prays that the Court approve his Interim Report and grant the debtor an appropriate order of discharge herein.
